

Lenovo VIBE P1

POSITIONING STATEMENT

The Lenovo VIBE P1 combines productivity and security in a sleek package to power consumers through their always-on lifestyle. Always stay connected on-the-go with its massive 5000mAh battery (up to 81 hours battery life), while the innovative Rocket Charge function and OneKey® Power Saver switch offers instant power boost. Effortlessly pair the P1 with a range of smart devices, from headsets to cameras and TVs, utilizing the wireless NFC technology. Additionally, an embedded finger scanner brings about greater convenience and security. The VIBE P1 is also beautifully crafted with a premium metal-and-glass design, sporting a naturally curved rear cover and a screen protected by scratch-resistant Gorilla Glass 3.

KEY FEATURES

- 5000mAh battery¹, one of the highest capacities for smartphones, to meet today's always-on lifestyle at 81 hours² long battery life
- Rocket Charge function with smart overheat protection can get 2.8 hours' talk time with a simple 5-minute charger³
- "OneKey® Power Saver" provides users up to twice the regular battery life⁴, simply at the flick of a switch
- Rapid OTG charging to charge USB accessories, such as Bluetooth headsets, on the go
- Fingerprint scanner embedded on the Home button can be used to effortlessly unlock the phone
- Near-Field Communication (NFC) supports one-touch pairing with other devices and electronic payment
- Alluring metal-and-glass design, featuring a curved aluminum rear cover for enhanced ergonomics
- The screen is reinforced with Gorilla® Glass 3 Corning's scratch and crack-resistant glass material
- Wi-Fi Boost maintains Internet connection even under poor Wi-Fi receptions, and adjusts range to save power
- 64-bit Qualcomm Snapdragon™ 615 Octa- Core processor for powerful performance with Android™ 5.1 (Lollipop), Google's latest OS
- LTE (4G), Wi-Fi and Bluetooth 4.1 connectivity for fast and easy uploads and Internet access

DETAILED SPECIFICATION

Note: specifications may vary by region.

Processor	64-bit Qualcomm® Snapdragon™ 615 1.5GHz Octa-Core
Operating System	Android™ 5.1 (Lollipop)
Display/Resolution	5.5-inch FHD (1920X1080) IPS
Color	Platinum, Graphite Grey
Memory	2GB RAM
Storage	Up to 32GB internal storage, up to 128GB microSD
Sound	1x speaker, 3.5mm audio jack, Smart PA
Connectivity	4G (LTE), 802.11 b/g/n/ac Wi-Fi, Bluetooth 4.1 LE, GPS
Camera	13MP phase-detection auto-focus rear camera with dual-color flash, 5MP secondary front camera
Battery	5000mAh (embedded)
Materials	Aluminum frame, front Gorilla Glass 3
Standby Time¹	Up to 27 days (2G), 25 days (3G), 30 days (4G) ⁴
Talk Time¹	Up to 49 hours (2G), 44 hours (3G), 45 hours (4G) ⁴
Weight	189g (6.67 ounces)
Dimensions	152.9 x 75.6 x 4.6-9.9mm (6.02 x 2.98 x 0.18-0.39 in.)
SIM Support	Dual Nano SIM

¹ Standard size 5000mAh; Minimal size 4900mAh (for markets with special regulations like Taiwan)

² Battery life based on simulation results and is an estimated maximum average. Actual battery life may vary based on many factors.

³ 5 minutes of charging boosts battery volume from 12% to 19%, giving you 166 minutes of talk time when the power saver is turned on and in dark screen mode.

⁴ Actual battery life may vary based on many factors, but this mode has the potential to double battery life while restricting access to certain apps and features.
