

Lenovo YOGA 3 Pro

POSITIONING STATEMENT

The Lenovo YOGA 3 Pro is a premium multimode PC with a new watchband hinge design for a strikingly thinner and lighter convertible computing experience. The eye-catching six hinge design upgrades from previous two focus-point models, so users can enjoy an even thinner and lighter machine. YOGA 3 Pro also features Harmony, new adaptive software that provides users a new way to discover apps in each mode (*Laptop, Stand, Tent and Tablet*) and allows users to customize settings for their favorite apps.

KEY FEATURES

- Incredibly thin and light: 17 percent thinner than its predecessor, weighing less than a bottle of water
- Features a new unique watchband hinge hand-assembled from more than 800 individual pieces for a truly adaptive PC experience
- New Harmony adaptive software which intuitively optimizes settings and makes app recommendations through user pattern recognition of the device
- Performance packed with Intel® Core™ M-70 processor, Intel's latest processor made for ultra-thin and light devices
- Strikingly bright QHD+ screen within a sleek 12.8mm thin frame
- Three eye-catching color options: Clementine Orange, Platinum Silver and Champagne Gold
- Pre-loaded with software and apps for both productivity and entertainment, including Zinio™, Amazon® Kindle, Lenovo® SHAREit and Lenovo Reach
