

# Lenovo YOGA Tablet 2 with Windows

## POSITIONING STATEMENT

The YOGA Tablet 2 combines design innovation with premium technology features to deliver a powerhouse convertible entertainment device. Built to adapt to a user no matter where they go, the tablet's redesigned kickstand rotates nearly 180° for an all-new *Hang* mode that delivers a completely hands-free experience in the kitchen, on a plane, or at the gym. And now available for the first time with Microsoft Windows, in two sizes, the new tablet offers users more ways to work and play on the same ultra-portable device. The YOGA Tablet 2 is also equipped with twin large chamber front-facing Dolby® Audio speakers, a Full HD display and a powerful Intel® Atom quad core processor to deliver a superior multimedia experience with an extensive 15-hour battery life that ultra-mobile users will love.

## KEY FEATURES

- Unique convertible design features all-new *Hang* mode for a hands-free experience
- Option of two tablet sizes: 8-in or 10-in IPS display with latest Microsoft Windows 8.1 operating system and one year Microsoft Office 365 subscription included. 10-in model comes with a matching Bluetooth®AccuType keyboard that doubles as a cover
- Enhanced 8MP rear camera with Auto-focus, glare-reducing glass and an advanced BSI-2 sensor to provide more lifelike color and reduce flare in bright-light areas
- Intel® Burst technology monitors user activity and matches processing power to maximize battery life while enabling faster wake-from-sleep and file, photo and app access
- Dolby® Audio speakers and Wolfson® Hi-Fi™ deliver superb audio enhancement and noise reduction
