

ideapad C340 (14")

POWER & MOBILITY MEET VERSATILITY.

Featuring powerful AMD processing and an all-day battery with rapid recharging, the Lenovo™ **IdeaPad™** C340 can help make ideas happen. This multimode PC also has a physical webcam shutter for extra privacy, while the optional digital pen enables you to write, etch, or take notes directly onto the 14" display.

WHY YOU SHOULD BUY THE LENOVO IDEAPAD C340 (14")

Enjoy the freedom to get more done

With up to 8 hours of battery life, the **IdeaPad** C340 lets you work, play, and stay in the loop all day, from anywhere. Running low on juice? RapidCharge technology enables you to recharge your multimode PC up to 80% in just one hour.

Keep your privacy more private

In today's always-on world, online privacy truly matters. That's why the **IdeaPad** C340 has a convenient TrueBlock Privacy Shutter, enabling you to physically close your PC's webcam whenever you're not using it.

READY FOR WHATEVER THE DAY BRINGS

Get a laptop that keeps up with you. Built with cutting-edge tech, a PC powered by 2nd Generation AMD Ryzen™ Mobile Processor with Radeon™ Vega Graphics brings a new level of performance on-the-go.

* Optional on selected models.

Let your creativity flow

Why type when you can write, draw, or sketch directly onto the **IdeaPad** C340's screen? With a digital pen*, you can capture moments of inspiration or take notes on the fly—wherever life takes you.

Extremely versatile, very functional

The **IdeaPad** C340 is designed for you to handle any situation, anywhere. Use it in Laptop mode for everyday computing, Tent mode for sharing things, Stand mode for binge-watching, or Tablet mode for more intuitive interaction.

¹ For R3-3200U & Athlon™ 300U only.

² All battery life claims are approximate and based on test results using the MobileMark® 2014 ver 1.5 battery life benchmark test. Actual results will vary, and depend on numerous factors including product configuration and usage, software, operating conditions, wireless functionality, power management settings, screen brightness and other factors. The maximum capacity of the battery will naturally decrease with time and usage. See <https://bpccoc.com/products/mobilemark-2014/> for additional details.

LENOVO SERVICES

Warranty Upgrades – On-site / In-Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

Warranty Extensions (1-to-3 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.
