

LENOVO **smart** TAB M10 with Amazon Alexa

2-IN-1 TABLET + SMART DOCK*

The Lenovo™ Smart Tab is a great Android™ tablet that becomes a Smart Screen with Alexa built-in. Dock your tablet to automatically switch to Show Mode and get a full screen Alexa experience from across the room. Just ask to stream music or play videos, check the weather, see the news, set a timer, and more, hands-free. Access to tens of thousands of Alexa skills, dim the lights or change the temperature from your favorite chair, or pick up your tablet to get your entertainment on the go.
