

tab M7

A NEW TAB GENERATION.

DESIGN FOR PREMIUM, WITH AFFORDABLE PRICE.

The Lenovo™ Tab M7 is a tablet that will make your eyes widely open. It is amazingly designed with up to 90% full metal back cover. The whole part is built with craftsmanship for both premium and comfort in holding. Every single detail is refined to make you be proud of and stand out from the others. More than that, Lenovo Tab M7 is a feast for your eyes with uncompromised vivid display, equipped with brighter nits and rich color saturation.

Lenovo Tab M7 is optimized with Android™ Pie and is a great device to be used for fast browsing and video watching.

Lenovo™

WHY YOU SHOULD BUY THE LENOVO TAB M7

Premium metal design

You'll be amazed by how premium Tab M7 could fit so much in such a thin profile. At up to 90% full metal back cover and 8.25 mm thin, the smooth round-edged metal body is a treat to use and you can really be proud when in use.

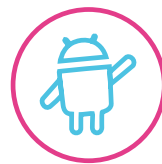

Vivid display visual

IPS Screen with bright nits and rich color saturation is truly a feast for your eyes when watching videos and graphics.

Narrow border

Even more. The up to 82% panel-to-body ratio and the thinner bezel area provides you not only the premium look and feel, but also allows you to watch more.

Latest Android™ Pie SW

Tab M7 is delivered with the latest Android™ Pie edition and even further optimized SW experience for your smooth browsing and watching anywhere and anytime.

True eye care protection

With special light and display technology development, Lenovo tablets ensures that the display lowers harmful blue light when appropriate to reduce strain on the eyes.

RECOMMENDED LENOVO SERVICES

Warranty Extensions (1-to-3 Years Total Duration)* The fixed-term, fixed-cost service helps accurately budget for PC expense, protect your valuable investment and potentially lower the cost of ownership.

Accidental Damage Protection* Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

* Not available in all countries.
