

# Lenovo Qreator 27 Monitor

## BRING HOME A SUPERLATIVE AUDIOVISUAL EXPERIENCE

Sleek and smart, the Lenovo Qreator 27 is an elegant yet functional fit for your home. For content and media creators, the Qreator's **4K UHD display** gives you more to look at, with clear details. Its **IPS panel** brings out colors in their truest form, and every frame and visual appears more realistic. Built-in **98% DCI-P3** and **10 bits color output** provide you with a wide range of colors, making the monitor a perfect companion to **edit videos, images, presentations**, as well as engage in casual gaming. Sound will ebb and flow in sync with on-screen motion, thanks to the **Smart Crystal Sound Display**. The screen panel that also acts as a speaker membrane will place you right in the middle of the action while editing videos or watching a movie. Connect, create, and project your work easily with the **USB Type-C one-cable solution**, while ensuring optimized power consumption with the **Smart power function\***. Reduce desk clutter and charge compatible smartphones and accessories with Wireless Charging on the monitor stand.

**Smart Crystal Sound Display**

**Smart Connectivity with Smart Power**

## DESIGNED FOR THE CREATOR IN YOU

The Lenovo Qreator 27 monitor is a perfect blend of rich visuals and amazing sound. Put forth your best work with its IPS wide-viewing display that comes built in a 4-side NearEdgeless bezel, and UHD (3840 x 2160) resolution. Video editors and image retouchers can work hassle-free with natural colors on offer with the monitor's 10-bit color depth, 98% DCI-P3 color gamut, and 1.07 Billion color support. Factory-calibrated Delta E<2 accuracy gives you exact tones and shades while editing and coloring for impressive imagery.

Smart Power  
Function with  
up to 80W Power  
Delivery via  
USB Type-C

## TECHNOLOGY THAT UNLEASHES YOUR TRUE POTENTIAL

Create without compromising on quality and experience rich visuals straight out of the box with factory color calibration. For gaming enthusiasts, the AMD Radeon FreeSync™ technology lets you stay ahead of the game with screen tear-free and stutter-free gameplay. A quick response time of 4ms minimizes motion blur, streaking, and ghosting. The TÜV Rheinland Eye Comfort-certified monitor with flicker-free and anti-glare technology minimizes eye strain for you to work efficiently. Combining modern features with a stylish design, the Qreator is perfect for both home and office space.
