

# ThinkPad X1 Fold

It doesn't get more revolutionary than this. Introducing the industry's first foldable, single-screen, multi-function 5G<sup>1</sup> Always Connected PC (ACPC). The ThinkPad X1 Fold will forever change the way you work, play, create, and connect from everywhere you go.

The ThinkPad X1 Fold will transform how you use your device throughout the day. Finally, one small, yet powerful device can go from presentations to emailing to reading to drawing without losing a signal or weighing you down. You've never experienced versatility, mobility, connectivity, and productivity like this before. This is truly smarter technology for all.

# ThinkPad X1 Fold

## GAME-CHANGING INTERFACE

With a brilliant—and seamless—folding OLED screen, the ThinkPad X1 Fold is unlike any other device. Use it as a laptop with the keyboard or pen. Use it like a book for single or dual screen browsing. Open it fully for use as a tablet or display—choose one single 13.3” viewing area or two 9.6” screens. The possibilities are endless.

## FULL COMPUTING CAPABILITIES

The ThinkPad X1 Fold is here for whatever your work demands with countless possibilities of how you can use this device leveraging the folding screen and the Intel® Core™ Processor with Intel® Hybrid Technology. And with a battery that lasts 8.5 hours<sup>1</sup> on a single charge, this device goes from morning emails to evening brainstorming sessions.

## CONTINUOUS CONNECTIVITY

Built for a future of universal 5G<sup>2</sup> technology, the ThinkPad X1 Fold offers a true smartphone experience in an ACPC. No matter where you go—WIFI or not—you can stay connected to the people and ideas that drive your work.

## INTEGRATED ACCESSORIES

The ThinkPad X1 Fold fits every working style with a supported pen and keyboard. Write, sketch, and draw one moment. Type the next. Thanks to its flexible display, the ThinkPad X1 Fold will make writing feel more natural, like pen on paper.

## versatility

The ThinkPad X1 Fold is quite possibly the most personal, versatile, and flexible device you will ever own, adapting to meet different needs all day long.

## connectivity

Enjoy the convenience of an “always connected” experience thanks to the ThinkPad X1 Fold’s optional 5G capabilities coupled with a super slim, super light design for ultimate mobility.

## productivity

Conquer all your tasks quickly with powerful support from Windows 10 OS and Intel® Core™ Processor with Intel® Hybrid Technology.

<sup>1</sup>Based on testing with MobileMark 2018. Battery life varies significantly with settings, usage, and other factors.
