STUNNING, POWERFUL, AND LIGHTNING-FAST

Introducing **Windows 11**, an OS designed for hybrid work. Built on the familiar Windows foundation but reimagined to boost employee productivity and enhance collaboration on the most secure version of Windows yet. It is more productive, more collaborative and consistent for IT, and secure for all.

SLEEK DESIGN FOR THE MODERN EMPLOYEE

Super-slim and Lightweight: at 14.9mm, the slim and lightweight Lenovo ThinkBook 14s G2 ITL is your perfect portable companion, in the office or on the go. Weighing just 1.27kg, this laptop is compact and easily fits into your backpack.

Dual-tone Design: Add a stylish edge to your workspace with this dual-tone Mineral Grey color theme. Sharp angles give this device a professional look, making it stand apart from what's out there.

Robust Body Design: metal on the A, C, and D covers give this laptop a sturdy and elegant look. Arc-shaped hinge caps offer a more natural grip on the device, making it comfortable to hold and carry around.

Long Battery Life: a sizable battery of 56Whr makes it possible for you to work on the move and for extended hours without worrying about it running out of power.

STREAMLINED USER EXPERIENCE

Ultra-thin Bezels: enjoy working on the virtually-borderless, narrow-bezel display with >90% screen-to-body ratio. This means there is more space for the display, and the laptop looks sleek.

Vivid Display: a resolution of 1920 x 1080 gives you a whole new level of detail and realism on a sizable 14-inch IPS display.

Dolby® Vision™: never miss any details with Dolby® calibrated visuals and 100% sRGB color gamut that deliver stunning, life-like images. 300 nits of brightness on the screen facilitates comfortable working, even when outdoors.

Intuitive Experience: Hero Start Screen on Windows 11 with a centered Start, clean layout, and effortless navigation improves your focus with a simpler, more intuitive user experience.

Smart Features: Opening the lid powers the device on;¹ 720p content is automatically upscaled to FHD 1080p;² AI-based noise cancellation makes for effective meetings; multi-mode options allow for optimal mic setups; blue light filtering reduces strain on eyes; dynamic cooling maintains ideal operating temperatures through the day. **Microsoft Teams integrated into the new Windows 11 taskbar** elevates online meetings to a new level. You can now access contacts, turn on mute/unmute, or share apps with one click.

SUPERLATIVE PERFORMANCE TAKEN FURTHER

Breakthrough Performance: enjoy unmatched computing with 11th Gen Intel® Core™ Processors enhanced by AI technology. Handle data-heavy tasks or any workload with ease, as Intel® Iris® X® graphics minimizes the load on your system.

Thunderbolt™ 4 Connectivity: unleash the power of USB Type-C with the Thunderbolt™ 4 port. Integrate high-speed data transfers, video, and audio output along with power-delivery compatibility using a single port

Superfast Memory and Storage: get super-fast performance and storage capacity with up to 16GB of dual-channel memory and up to 1TB of SSD storage for instant file access and opening applications.

Natural Voice Typing: with the **voice typing feature on Windows 11**, you can instantly turn your ideas from voice to text in any text box.

Efficient Widgets: customizable **Widgets on Windows 11** helps you keep track of everything from upcoming meetings and to-do lists to live updates on the news and weather.

Modern Standby: never miss out on anything important, even when the lid is closed. With Modern Standby, you can get email, IMs, call notifications, and even play music, and your laptop does not need to be active.

¹Default setting is OFF

²Works for selected video player

RECOMMENDED ACCESSORIES

THINKBOOK URBAN BACKPACK PN: 4X40V26080

A multi-functional 15.6-inch backpack with anti-theft pocket ensures security on the move. The padded compartment offers cushioned comfort and protection for your laptop. High-quality fabric and stylish PU leather accent add to the contemporary design.

THINKBOOK BLUETOOTH SILENT MOUSE PN: 4Y50X888XX

Modern, low-profile, ambidextrous design with silent buttons makes the ThinkBook Bluetooth silent mouse a premium accessory for your laptop. Sculpted to be comfortable while holding and equipped with a blue optical sensor with track-on-glass compatibility, this mouse works effortlessly even on a glossy surface. Dual-host Bluetooth connectivity (with Microsoft SwiftPair) and 2-way scroll with on-the-fly DPI adjustment to up to 2400 gives you more precision and control.

LENOVO POWERED USB-C DOCK GEN 2 PN: 4X90S92381

Instantaneously connect to an external display or USB 3.0 device via a single USB Type-C port using the Lenovo-powered USB-C Dock. Compatible with PD3.0 Power Through, it enables charging with a USB-C adapter. The HDMI 2.0 port supports 4K display so you can work on multiple applications effectively.

SERVICES AND SUPPORT: ALL-ROUND CARE FOR YOUR LENOVO THINKBOOK 14s G2 ITL

FLEXIBLE WARRANTY EXTENSIONS AND UPGRADES

Lenovo ThinkBook 14s G2 ITL is covered with a 1-year
base warranty and can be upgraded for a period of up
to 5 years to extend the value of your investment.

ONE-CALL ACCESS TO PROFESSIONAL HELP

Premier Support service is an enhanced warranty plan
that provides 24x7 direct access to the right level of
tech support on the first call, on priority.

INTERNATIONAL WARRANTY SERVICE (IWS)

IWS addition allows international availability of standard
warranty terms. Applicable in all countries where
the particular model is sold and serviced.

COVERED FOR UNCERTAINTIES

Accidental Damage Protection (ADP) provides
coverage for non-warranted damage incurred under
normal operating conditions, such as minor spills,
drops, or damage to the integrated screen.

Keep Your Device (KYD) allows customers to keep their
drives and dispose of business data on their terms,
improving data security and ensuring compliance
with data privacy and retention requirements.

Sealed Battery Warranty (SBTY) provides battery
replacement for 2 years in the event of a battery failure.

DEVICE MAINTENANCE AND REPAIR

Get flexible and 30% faster response with Lenovo
Commercial Services.

- Onsite Next Business Day Response (NBD)
and Technician Installed Customer Replaceable
Unit (CRU)

- Expedited Depot Service
