Supercharged portability.

Mobility, empowered. The Lenovo Yoga Slim 7i Carbon designed on Intel® Evo™ actualizes the promise of portable performance by fusing extraordinary thinness and lightness to military-grade resilience. Aerospace-grade magnesium alloy is reinforced with multi-layer Carbon Web-Core 2.0 in a thin-and-light comfort-edge design chassis. Intel® Evo™, now featuring 12th Generation Intel® Core™ processors, ensures you stay at peak potential, no matter where you are. And connect deeper to your story - whether you’re watching or creating - with a 13.3” 2.5K 90Hz 16:10 PureSight display.

WHY YOU SHOULD BUY THE LENOVO YOGA SLIM 7I CARBON (13”, 7)

Aerospace-grade lightness. military-grade toughness
Fully realize your aspirations as a digital creator on-the-go with ethereal lightness tempered with the military-grade rugged durability of the Yoga Slim 7i Carbon, built for you to venture far and wide – or just stay home – with aerospace-grade magnesium alloy reinforced with multi-layer Carbon Web-Core 2.0 for an incredibly thin and solidly rugged chassis.

Pure mobility, PureSight
See more, feel more, and create more, wherever you might find yourself, with a 13.3” 2.5K 90Hz PureSight display that empowers you to create and connect deeper with what drives you forward. Featuring a taller 16:10 aspect ratio, an anti-glare screen and a hardware calibrated ΔE<1 accurate 100% sRGB color space and volume. Stay immersed without straining your eyes with TÜV Hardware Low Blue Light certification.

Personal accessory
Designed as the quintessential accessory for the portably productive, the Yoga Slim 7i Carbon’s minimalist slim-and-light chassis is crafted for holding and carrying via the gently sloping contours of its comfort-edge design. Three different two-tone color options of Moon White, Storm Grey, and Cloud Grey let you express your best, most authentic self, while the edge-to-edge keyboard and larger trackpad, ensures no space is wasted.

Stay in peak form, wherever you are
Hybrid life demands that you stay fully activated even on-the-go with a device that’s thin-and-light in design yet heavy and powerful in performance. The Yoga Slim 7i Carbon ensures you’re at your peak potential anywhere with Intel® Evo™, now featuring 12th Generation Intel® Core™ processors, up to 32 GB LPDDR5 memory, and up to 1 TB PCIe SSD.

**Note:** All battery life claims are approximate and based on two methods of testing: MobileMark 2018 battery life benchmark and continuous 1080p video playback on the latest update of Windows 11 (with 150 nits brightness and default volume level). Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use.

**Note:** Local video playback @ 150 nits.

**Note:** Bluetooth® version depends on OS.

**Note:** The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environment, will be slower than a speed of 20 Gbps.

**Note:** Available in select regions.
