Lenovo Go Desk Station with Webcam
The 5-in-1 hybrid working solution.
Why choose the Lenovo Go Desk Station with Webcam

4K webcam. Teams certified.
Take conferencing and creation to the next level with the integrated 4K Microsoft Teams Certified webcam that uses advanced technology such as AI to automatically track the speaker and deliver unmatched video quality.

Dock & declutter. With ease.
Streamline your workspace and workflow with the integrated hub providing video output & input, USB connections, charging, and other ports at the base of the stand.

One genius solution.
The Lenovo Go Desk Station with Webcam is a truly ingenious innovation. Never before has a single product met the video, lighting, docking and charging needs of hybrid workers so seamlessly.

The 5-in-1 hybrid working solution.
The Lenovo Go Desk Station with Webcam cleverly combines an expansion hub, wireless charger, 4K webcam, light, and rotatable arm into a single product. For the first time, you can meet all your needs in a single solution instead of purchasing many — making hybrid work effortless.

1Need to install Lenovo Go Central at https://support.lenovo.com/downloads/lenovo_go_app
2Depending on many factors such as the processing capability of peripheral devices, file attributes, and other factors related to system configuration and operating environments, the actual transfer rate of the USB connectors on this device will vary. Typically, it is slower than the data rates as defined by the respective USB specifications: 5 Gbit/s for USB 3.1 Gen 1; 10 Gbit/s for USB 3.1 Gen 2; and 20 Gbit/s for USB 3.2.
3xx means country code.
