¹ Based on Google Chrome Power LoadTest, a battery run down test. For more information about Google Chrome Power LoadTest, visit www.chromium.org. Test results should be used only to compare one product with another and are not a guarantee you will experience the same battery life. Battery life may be significantly less than the test results and varies depending on your product's configuration, software, usage, operating conditions, power management settings and other factors. Maximum battery life will decrease with time and use.

² Product packaging shall contain, recycled content, biobased plastic, non-wood biobased fiber material, and/or sustainably forested material.
