Shape your creativity.

With its thin, light frame and rounded comfort edges, the Yoga 6 is easily portable and comfortable to use. Combine ergonomics and aesthetics with our commitment to sustainability and you’ve got the perfect on-the-go device for taking anywhere you want.

Why you should buy the Lenovo Yoga 6 (13”, 8)

Catch up to your own inspirations

Inspiration waits for no one, so pack the power to get the job done with the Yoga 6 Gen 8 laptop. Powered by the AMD Ryzen™ 7000 Series Processors and enhanced battery life, you can do more in less time with all-day battery and rapid charge for a quick boost.

Make it cinematic

Dolby Vision® and Dolby Atmos® sound technologies come together on the Yoga 6 Gen 8 laptop to surround you in a fully cinematic space. Get lost in the 16:10 FHD display packed with rich accurate colors and crisp vibrant visuals, all while front-facing speakers deliver encompassing sound.

A whole lot of smart in a small package

Built for today, the Yoga 6 Gen 8 with Lenovo AI Engine+ laptop is packed with smart features. An FHD webcam with privacy shutter offers quick and secure facial recognition, while additional ports like HDMI and an MicroSD Card reader help clear up the clutter and keep you dongle-free.

Curved comfort, deliberative design

Thanks to elegantly curved edges and a thin, light frame, carrying around the Yoga 6 Gen 8 laptop is a breeze. The ENERGY STAR® and EPEAT™ Gold-registered PC features a top cover made with 100% PCC fabric or recycled aluminum, and conscientiously sourced, greater than 99% biodegradable packaging help affirm you’ve made an environmentally friendly choice.

**LENOVO SERVICES**

**Lenovo Premium Care Plus**
- Lenovo Premium Care Plus is the ultimate PC support experience with you as our priority 24/7. Enjoy personalized hardware and software support from a global network of elite technicians, along with accidental damage protection, fast repairs with onsite support, extended battery warranty, data migration assistance, and smart performance solutions that optimize PC performance and security.

**Lenovo Smart Performance**
- Smart Performance Services within Lenovo Vantage will keep your system running at optimum performance and proactively fix issues that affect PC performance, internet performance, remove malware, and improve device security.

**Lenovo Accidental Damage Protection**
- Avoid the hassles of unexpected damage & repair costs. With coverage for drops, spills, electric surges, and broken LCD screens, accidental damage protection makes it easy to repair your PCs and ensures your device is up and running fast.

**Lenovo CO2 Offset Services**
- Offset the carbon emissions of your PC with Lenovo CO2 Offset Services – an easy and transparent solution to offset emissions across the average lifecycle of your device. These offsets are invested in UN-approved initiatives like renewable energy or ecological projects, thus contributing towards a more sustainable future.

**Lenovo Sealed Battery Warranty**
- Long-lasting battery life is not just a feature but a necessity to help you stay productive and connected all day long. Protect your PC’s sealed battery from degradation, enjoy hassle-free battery replacement service, and safeguard your PC from future battery failure with our Sealed Battery Warranty Service.

**Lenovo Warranty Extensions** (Up to 3 Years Duration)
- Gain complete peace of mind by extending your base warranty up to 3 years and minimize unexpected repair costs.

**OPTIONS & ACCESSORIES**

**Lenovo Yoga ANC Headphone**

- Register McAfee® to enjoy these benefits in your FREE 30-day trial.
  - Award-winning Antivirus
  - Password Manager
  - Safe Web Browsing
  - Multi-device Compatibility
  - Identity Theft Protection
  - Free Customer Support

**NOT AVAILABLE**
- AMD platform codes

---

*All battery life claims are approximate and based on two methods of testing: MobileMark® 2018 battery life benchmark and continuous 1080p video playback on the latest update of Windows 11 (with 150 nits brightness and default volume level). Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use.

**The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environment, may be slower than a speed of 20 Gbit/s.**

**Available in select regions.**
