The hub to anchor your creativity.

Anchor your home and devices to a stunning and powerful all-in-one flagship built to amplify your creativity – the sustainably sourced, architecturally inspired and ultra-slim Yoga AIO 9i, featuring up to 13th Gen Intel® Core™ i9 processors and optional NVIDIA® GeForce RTX™ 4050 Laptop GPU for professional photo or video editing. Watch Netflix in 4K with a massive 32" IPS display while four speakers surround you in a curtain of Dolby Atmos® 3D audio. Control and charge multiple devices with your PC via One Cable Link and wireless charging.

Why you should buy Lenovo Yoga AIO 9i

Architectural art for your home
Crafted with high-quality sustainable materials, the Yoga AIO 9i is built to be an architectural art piece to both keep your workspace clean and cleanly complement your contemporary decor. Its ultra-slim and ergonomic design incorporates a metal hinge that tilts 20° for better viewing and video conferencing angle with the 5MP IR webcam and features rear ventilation and ports, so your desk stays clear and uncluttered without losing visibility.

Cinematics as they should be
Experience cinematics as they should be seen and heard. Stream Netflix in stunning 4K with a massive 32" IPS display with three-sided narrow bezels for more screen. Feel the pull of the story as four Harman Kardon® speakers place you at the heart of the action while sound flows above and around you via Dolby Atmos® audio.

Tap your creative potential
Create world-class content that shakes up the world with up to 13th Gen Intel® Core™ i9 processors and optional NVIDIA® GeForce RTX™ 4050 Laptop GPU, 32 GB RAM and stable WiFi 6E connectivity, as well as HDR600 with more clarity in light and dark colors and optional discrete graphics for your professional video editing and gaming demands.

Seamless multi-device control
Engineered to be the hub for your smart home and device portfolio, the Yoga AIO 9i features collaborative features for multiple devices, such as wireless charging to charge your smartphone, and One Cable Link to control both your AIO and laptop simultaneously. Transfer data and extend your screen even faster with multiple ports such as USB 4.0 and full-function Type-C™ and HDMI™-out ports.
LENOVO SERVICES

Lenovo Premium Care Plus
Lenovo Premium Care Plus is the ultimate PC support experience with you as our priority 24/7. Enjoy personalized hardware and software support from a global network of elite technicians, along with accident damage protection, fast repairs with onsite support, extended battery warranty, data migration assistance, and smart support, extended battery warranty, damage protection, fast repairs with onsite support, elite technicians, along with accident damage protection, fast repairs with onsite support, extended battery warranty, data migration assistance, and smart performance solutions that optimize PC performance and security. Lenovo Smart Performance
Smart Performance Services within Lenovo Vantage will keep your system running at optimum performance and proactively fix issues that affect PC performance, internet performance, remove malware, and improve device security. Lenovo Accidental Damage Protection
